It is the students’ own responsibility to check in time whether they have valid (de)registration.

4.1.2 Students are only allowed to participate in a course when they have a correct and timely registration for it. In case a student has not registered correctly or in time, participation will be refused by the MBA director.

4.1.3 Students are only allowed to participate in an examination when they have a correct and timely registration for it. Upon registration for a course, students are automatically registered for the first sit examination. In case a student was given a No Grade (NG) for the previous examination, the student must always register him/herself for the resit examination. In case of a fail or an insufficient grade, the student is automatically registered for the resit examination in the next education period. In case a student has no valid registration, results can be declared invalid by the Board of Examiners.

4.1.4 Students are only allowed to cancel their participation/examination for a course before the deadlines set and communicated by the MaastrichtMBA programme office. Failing to respect these deadlines results in a No Grade (NG) as well as a cancellation fee.

ARTICLE 4.2 PREREQUISITES

Participation in an educational unit and its examination may require students to have passed other courses or skills trainings prior to registration for that particular course, its examination or skills training. Prerequisites for educational units will be announced in the syllabi and/or in the course descriptions which are available in the Outline Study Programme.

ARTICLE 4.3 RULES OF PROCEDURE FOR EXAMINATIONS

4.3.1 In the rules of procedure for examinations, which can be found on the Student Portal and MySBE Intranet, the Board of Examiners lays down the rules and guidelines regarding proper conduct with regard to examinations and regarding the procedural aspects of examinations, including non-compliance with these rules.
4.3.2 If students are suspected to have violated the rules of procedure for examinations in an examination or part(s) thereof, the Board of Examiners will investigate this and will decide whether fraud is established and if so, which sanction will be imposed in line with article 8 of this MBA-EER.

4.3.3 If there is a suspicion of (an) irregularity/irregularities before, during or after an examination, the Board of Examiners will investigate whether this has led to an omission in the chain of custody. If so, the Board of Examiners can declare the examination invalid or may impose (a) sanction(s) in line with Article 4.8 and Article 8.2, paragraph 4, of this MBA-EER.

ARTICLE 4.4 EXAMINATION

4.4.1 Examinations will be conducted, assessed and graded by examiners appointed by the Board of Examiners.

4.4.2 Examinations will be conducted in oral form, in writing or otherwise (e.g., presentations and discussion facilitation), as announced in the Outline Study Programme and/or syllabus. In exceptional cases it is within the Board of Examiners’ competence to determine otherwise.

4.4.3 Written and oral examinations may be assessed and checked for plagiarism.

ARTICLE 4.5 WRITTEN EXAMINATIONS

For every written examination, an assessment norm is determined and stated on the examination paper. Written examinations also include taking these examinations by computer/digitally. The Board of Examiners may draw up guidelines for formulating written assignments.

ARTICLE 4.6 ORAL EXAMINATIONS

4.6.1 An oral examination will be assessed and graded by one examiner appointed by the Board of Examiners and a second assessor. The examiner must provide the student with a written statement of the assessment stating the grade.

4.6.2 The Board of Examiners may decide that oral examinations are open to public. For every oral examination an assessment norm is determined and made available by the examiner within a reasonable period before the examination takes place. An oral examination is given by an examiner in the presence of an assessor (second examiner) and taken by one student at a time, unless the Board of Examiners has decided otherwise.
ARTICLE 4.7 ATTENDANCE, PARTICIPATION, COURSE ASSIGNMENTS AND DEADLINE POLICY

Attendance at and participation in educational activities may be part of an examination when announced along with its assessment norms and deadline dates in the syllabus.

ARTICLE 4.8 INVALID EXAMINATION

If (components of) an examination involve(s) irregularities that make it impossible to accurately assess the student's knowledge, insight and skills, the board of examiners may declare (components) of an examination invalid for both the student and/or a group of students. After (component(s) of) an examination has/have been declared invalid, the Board of Examiners must inform the student(s) on the consequences and, if applicable, on another opportunity to take (components of) a new examination.

ARTICLE 4.9 RESITS

4.9.1. A resit of an examination entails the second opportunity for students to take an examination facilitated for all educational units or components thereof within the next examination period, unless explicitly excluded in the syllabus based on the fact that the nature of the educational unit dictates otherwise.

4.9.2. The exclusion of a resit opportunity for (a) component(s) of (the examination of) an educational unit is only permitted if the aforementioned component(s), because of its/their nature can only be assessed within the relevant course period (e.g., participation, software labs, presentation).

4.9.3. The syllabus may stipulate (additional) rules with regard to the resit and for components of the educational unit, which are also considered to be resits. Consequently, the form of the resit of an educational unit or of the components may differ from the form used for the first sit examination(s).

4.9.4. The highest overall (final) grade obtained will be considered the final grade for the educational unit. It is not allowed to take a resit for an educational unit or a component of an educational unit that is already awarded with a pass or a grade of five and a half (5.5) or higher and the student obtained the ECTS credits for the educational unit.

ARTICLE 4.10 EXTRA EXAMINATION OPPORTUNITY

Upon request, the Board of Examiners may grant students an extra examination opportunity (i.e., in addition to the regularly planned first sit or resit examination) for the last obligatory examination of a compulsory course, disciplinary course or skill that needs to be fulfilled in order to meet all requirements of the course to receive the ECTS.
credits for the course that needs to be fulfilled in order to conclude the course, to receive the ECTS credits for it and to be able to graduate within the MaastrichtMBA study programme. All other partial requirements of the course must already have been passed. The applicable rules, conditions and guidelines on the extra examination opportunity are published in the Rules and Regulations and on MySBE Intranet.

ARTICLE 4.11 EXAMINATION PERIODS AND EXAMINATION MOMENTS
Examinations take place throughout the academic year as outlined in the MaastrichtMBA academic calendar / study programme (‘onderwijsrooster’).

ARTICLE 4.12 LOCATION OF THE EXAMINATION
In order to safeguard the quality of examinations, written examinations can only be held at any of the SBE location(s) as published on MySBE Intranet or at a location approved by the Board of Examiners.

ARTICLE 4.13 SPECIAL EXAMINATION ARRANGEMENTS
The Board of Examiners may decide to grant students special examination arrangements suited to the individual situation. Students with a disability and/or chronical disease and who would like to be granted special arrangements during their MaastrichtMBA study programme and/or examinations, should contact Disability Support. More information on the conditions and procedure with regard to special arrangements can be found on the UM website. A special arrangement for students with a disability must be requested from the Board of Examiners by Disability Support (on behalf of the student).

ARTICLE 4.14 N.A.

ARTICLE 4.15 RESULTS
4.15.1. All examinations in the MaastrichtMBA study programme are assessed by means of a whole or a half grade on a scale from 0.0 to 10.0 or qualified as a pass/fail in accordance with this Article. Grades are given on a scale from 0.0 to 10.0 in whole grades, half grades or a pass/fail or a No grade (NG). A grade as from 5.5 is considered sufficient. The grading scale from 0.0 to 10.0, as applied by the SBE, is to be interpreted as indicated below. Disclaimer: Rights can only be derived from final results as published in the Student Portal.
Note that the explanation of the marks in the table below is only used to explain the valuation of the mark and is not a grading in itself (e.g., if an examiner indicates “Good” for an examination, this does not automatically mean the examination is graded with an 8.0).

Pass: \( \geq 5.5 \); performance at least meets the minimum criteria.

Fail: \(< 5.5 \); performance below the minimum criteria.

‘No grade’: Inability to determine result

4.15.2. The syllabus of an educational unit can determine:

a. if students need to pass every examination component to pass the educational unit;

b. if students who fail one or more examination components, can obtain a pass for the educational unit if their overall grade is at least a 5.5;

c. if only failed examination components are part of the resit, or if passed components are also part of the resit.
ARTICLE 4.16 DETERMINATION OF RESULTS

The Board of Examiners determines the results of each examination. Prior to determining the examination results, the Board of Examiners can commence an investigation with relation to one or more items or aspects of the study programme, if and to the extent that the concerning examinations and/or results give rise to such investigations.

ARTICLE 4.17 NO GRADE (NG)

In case of inability to determine a result, an examination may be graded with a No Grade (NG). More specifically, instances which warrant a No Grade (NG) include, but are not limited to:

- a student has (been) registered for the examination but has not actually taken the examination or part thereof and did not deregister during the registration period;
- a student fails to complete the examination before the deadline;
- a student has completed an examination that cannot be assessed (e.g. a corrupted file, an incomplete examination document, et cetera);
- a student has completed an examination that is determined as invalid as per Article 4.8 of this MBA-EER;
- a student has committed an irregularity (including fraud and plagiarism) as defined in Chapter VIII of this MBA-EER, in which case the Board of Examiners may grade the examination with a No Grade as a sanction as indicated in Article 8.2 paragraphs 4 of this MBA-EER.

ARTICLE 4.18 PUBLICATION

4.18.1. Official final examination results will be published within thirty (30) working days after the examination date in Canvas, unless decided otherwise by the UM Executive Board or the SBE Board and will be announced by the programme office.

4.18.2. On behalf of the SBE Board, the Education and Exams Office records examination results. The grades are published on digital communication channels as mentioned under article 3.5 of this MBA-EER. Students can request a transcript of their records at the programme office.
ARTICLE 4.19 AWARDING CREDITS

4.19.1. The number of ECTS credits representing the full study load of a course or other educational unit will only be awarded in full. It is not possible to award part of the ECTS credits.

4.19.2. ECTS credits are only awarded by decision of the Board of Examiners upon the student’s fulfilment of all requirements of a course or other educational unit to pass the educational unit and by obtaining at least a final grade 5.5, before rounding, on a 0.0 to 10.0 scale or a pass on the pass/fail scale. See also Article 4.15.

ARTICLE 4.20 VALIDITY

4.20.1. In principle, the positive final (overall) results for passed educational units and exemptions, registered in the student file, are valid for an unlimited period, unless the student’s knowledge, insight or the skills that were examined are demonstrably outdated. With regard to the latter, the SBE Board may decide whether results are demonstrably outdated and can limit the validity of results and may require (an) additional(s) or alternative examination(s).

4.20.2.

   a. Passed partial requirements (components) of an educational unit will remain valid in the academic year in which the partial results are obtained and five (5) more academic years. Participation in this context means that the student has attended one or more tutorials of the educational unit in another academic year than during the participation was passed in the first place.

   b. The syllabus may deviate from the aforementioned restriction, under 2a of Article 4.20, by stating that passed partial requirements (components) of the educational remain valid even if a student re-registers for and participates in the educational unit again.

4.20.3. The Board of Examiners may extend the period of validity as mentioned under 2a of this article.

ARTICLE 4.21 RETENTION PERIOD EXAMINATION RESULTS

4.21.1. The examinations, results and the assessed work of written examinations have to be filed for at least two (2) years after the result of the examination is determined.

4.21.2. The BCP and the assessment thereof must be filed for a period of at least seven (7) years after the BCP grade is determined.
Chapter V – Comment, Right of Inspection and Objection Procedure

ARTICLE 5.1 COMMENT PROCEDURE

(General) Comments regarding written examinations with open and/or closed questions (Multiple Choice) or parts thereof have to be submitted to the course coordinator according to the rules as published by the programme office.

ARTICLE 5.2 RIGHT OF INSPECTION AND OBJECTION PROCEDURE

5.2.1 The right of inspection comprises that, within ten (10) working days after the official publication date of the grade, students will be given the opportunity to inspect:

- their assessed answers to the written examination or written part of an examination;
- the questions and assignments posed and given within the framework thereof; and
- the norms applicable to the assessment thereof.

5.2.2 The course coordinator will timely provide the opportunity and information regarding the inspection date and time. This will be announced in the course syllabus in the Student Portal.

5.2.3 Objections regarding the individual examination have to be submitted in writing within ten (10) working days after the official publication date of the grade.

5.2.4 The course coordinator must react on each submitted objection within a reasonable period of time.

5.2.5 Within the given period of time, as stated under paragraph 1 of this article, a student will be given a second opportunity to exercise the right of inspection, provided that the student can demonstrate the inability to exercise this right in the first instance due to circumstances beyond the student’s control. The student must have reported the inability with due rapidity to the course coordinator, however in any case within 5 days after the course coordinator provided the inspection information.
Chapter VI – Exemptions

ARTICLE 6.1 AUTHORITY AND MAXIMUM

6.1.1 The Board of Examiners is authorised to grant students exemptions from examinations, provided that the student can demonstrate the successful completion of an examination for a university or higher professional education study programme which was similar in terms of content and level.

6.1.2 A maximum of 13 ECTS credits of exemptions can be granted within the Master’s exam.

6.1.3 n.a.

6.1.4 n.a.

6.1.5 No exemption can be granted for the BCP, the international week of the On-Campus MBA specialisation and the face-to-face educational weeks of the Online MBA specialisation.

6.1.6 No exemptions will be granted for knowledge that is obtained at another faculty or school during the time the student is excluded from participating in examinations based on committed fraud/plagiarism.

6.1.7 An exemption can only be granted for an entire educational unit, not for one or more components thereof.

ARTICLE 6.2 NO REGISTRATION OF ACTUAL GRADES

Exemptions granted by the Board of Examiners will be registered on the (final) grade list as exemption(s). This means that the actual grade(s) and result(s) obtained for (an) educational unit(s) outside or within the UM, will neither be published via the Student Portal, nor be stated on the (final) transcript and the list of Exam subjects of the SBE study programme concerned.

ARTICLE 6.3 EXEMPTIONS AND THE GRADE POINT AVERAGE (GPA)

a. If the Board of Examiners determines that a student has committed an irregularity (including fraud and/or plagiarism) in any examination or part(s) thereof, the Board of Examiners may take appropriate measures/impose sanctions as per paragraph 4 and 5 of this Article.

b. In derogation from Article 1 section 5 of the General UM Regulation for Fraud and Irregularities of any academic year, if the Board of Examiners determines that an irregularity (including fraud and/or plagiarism) has been established in a group assignment, it may take appropriate measures and/or impose sanctions for all students involved in the group assignment as per paragraph 4 and 5 of this Article.

8.2.2 The Board of Examiners may only (decide to) impose measures/sanctions if an irregularity (including fraud and/or plagiarism) indeed could be established and after having given the student the opportunity to put forward their view on the matter during a hearing.

8.2.3 If an irregularity (including fraud and/or plagiarism) has been established and, if applicable, a sanction has been imposed, the Board of Examiners will include the decision in the student’s file. The decision can be taken into account in any future event of this nature and this might lead to a more severe sanction.
8.2.4 When an irregularity (including fraud and/or plagiarism) has been established by means of Article 8.1, the Board of Examiners may reach the decision to impose any of the following measure/sanctions, referred to in Article 7.12b of the Act/WHW, or a combination thereof upon the student:

ARTICLE 9 DECISIONS WITHIN A REASONABLE PERIOD OF TIME

9.1 A decision taken by the Board of Examiners shall be made within the time limit prescribed by statutory regulation, or, in the absence of such a time limit, within a reasonable period after receipt of the request.

9.3 If a decision cannot be made within eight (8) weeks, the Board of Examiners shall inform the student, stating a reasonable time limit for the decision to be made (adjournment).

ARTICLE 17.1 EVALUATION

The SBE Board is responsible for regular evaluation of the education and study programmes for monitoring purposes and if necessary adjustment of the study load of the study programme. The SBE Board will, in any case, take the workload for students into consideration.

ARTICLE 17.2 AMENDMENTS

17.2.1 No amendments will be made that apply to the academic year this MBA-EER is valid to, unless the proposed amendments in all fairness do not affect the students’ interests.

17.2.2 Amendments to these MBA-EER are laid down by a separate decision of the SBE Board and will be published on MySBE Intranet.

17.2.3 Amendments will not negatively affect a decision, regarding a student, made under the existing regulations, by the Board of Examiners.

ARTICLE 17.3 PUBLICATION OF THE MBA-EER AND OTHER REGULATIONS

17.3.1 The SBE Board ensures the publication of the MBA-EER and other regulations and of all amendments to the MBA-EER.

17.5.2 The Board of Examiners will take the following personal circumstances into account when deciding:

a. Illness of the student concerned;

b. Physical, sensory or other impairments of the student concerned;

c. Pregnancy of the student concerned;

A more detailed explanation of the personal circumstances under paragraph 2 of this Article, can be found in the Rules and Regulations via MySBE Intranet.

ARTICLE 17.6 FORCE MAJEURE

If unforeseen and exceptional circumstances, occurred beyond the student’s and/or UM’s control and which are solely a result of force majeure; such as situations of crisis or war, humanitarian problems, geopolitical factors/tensions, the outbreak and control of contagious diseases (such as epidemics/pandemics), etc., hinder students from being able to fulfill (the) exam and/or other requirements stated in this MBA-EER, the Board of Examiners, the Faculty Board and/or the UM Executive Board may deviate from the MBA-EER and may decide to prescribe and/or provide (an) appropriate alternative(s).

ARTICLE 17.7 UNSUITABILITY (IUDICUM ABEUNDI)

17.7.1 In exceptional cases and after careful consideration of the interests involved, the Board of Examiners may, stating reasons, ask the Dean of the SBE to request that the Executive Board of the UM terminates or refuses the enrolment of a student in a programme if the student, through their behaviour or opinions ventured, has demonstrated their, unsuitability to practice one or more professions for which they will be trained by the programme they follow, or is unsuitable for the practical preparation for the (practice of the) profession.
Examples of aforementioned inappropriate behaviour can be found in the SBE Code of Conduct, to be consulted via MySBE Intranet.

APPENDIX I – LANGUAGE OF INSTRUCTION

In the Master’s study programmes, the language of instruction is English or another language.

The appropriateness of English or another language as language of instruction is determined by the international orientation of the programme in terms of its academic field of study and/or the fact that it prepares students for a specific field of activity or professional career in an international setting.

Master’s study programmes

The choice for the language of instruction of the programme is in line with the UM Code of Conduct on language in accordance with the Dutch Higher Education and Research Act (WHW) art. 7.2.

Because of the specific educational nature and profile of the programmes, teaching and examinations are conducted in English. This guarantees the quality of education, because:

1. The content of the programme has an international orientation and focus. Besides the learning goals
   i) “Knowledge and insight” (Our graduates are able to develop insights based on academic knowledge in a self-directed manner) and
   ii) “Academic Attitude” (Our graduates are able to demonstrate an academic attitude), the following two learning goals, which explicitly imply an international focus, apply explicitly to the programme:
   iii) “Global Citizenship” (Our graduates are able to actively engage in the global community in a globally responsible manner) and
   iv) “Interpersonal Competences” (Our graduates are able to demonstrate excellent interpersonal competences in an international professional setting).

   These four learning goals are characteristic for all SBE Master’s study programmes. They are translated into programme specific programme
objectives, which are offered and measured in obligatory as well as elective courses of the programme.

In line with the goals and content of the programme, all course material is based on international research and literature, which is in English.

2. The academic community is internationally oriented, and the staff is international: Aligned with the learning goals and objectives an international classroom setting is a core element of the educational concept of the programme, where English is the common international language.

In order to make the concept work optimally, an internationally divers student population as well as an internationally divers group of teachers/staff, which are able to communicate in a common language (English), is indispensable.

3. The labour market demand is internationally oriented (English speaking) alumni. The graduates of the programme are well prepared to work in and with internationally oriented companies, such as the “big 4” consultancy companies, multinationals, banks, but also medium small enterprises, and national or international public institutions, in majority operating on international settings and in international markets.

4. The student intake and current population is internationally diverse, and English is the common language.

On average (all programmes) Master’s study programmes have an intake of 40% Dutch and 60% non-Dutch students.
